## TERMS OF SALE

1. This sale is an unrestricted Public Auction and Mail Bid Sale. All bids are to be entered by lot as numbered in this catalogue. Mail Bidders should feel free to bid as much as they wish knowing that we will buy the lot, if possible, below their bid. Thousands of bidders to K ATEN SALES can attest to this statement.
2. Prices given following lots are estimates of today's market, and only intended as a guide. You may bid higher or lower as you wish.
3. Auction Sales are not approval sales. By submitting your bids you agree to the Terms of Sale herewith set forth. No lot may be returned without written permission, and request must be made within three days after receipt of material.
4. No commission, service charge or other extras will be made for executing your bids. Only the actual cost of mailing and insurance will be made. On books we charge \$2.00 handling fee for packing and processing up to 10 lots; each additional lot 10¢.
5. Bidders unknown to us must furnish references two weeks before the sale date or send a deposit equal to 25% of their bids. Bids will not be executed unless this is followed.
6. Sales are strictly for cash in U.S. Funds (unless other arrangements have been made). Payment must be made immediately upon receipt of notification or delivery.
7. All books are as described. The actual title in a foreign language is given - the cataloguer interprets the title and is in parenthesis.
8. We acknowledge the possibility of errors or typographical mistakes, and any errors or mistakes on our part will be corrected. Please be careful in placing your bids, as we cannot be responsible for your errors. We instituted the duplicate bid sheet 20 years ago for your protection.
9. Please allow at least three weeks for delivery of lots as this sale of such great magnitude requires much time for careful checking and packing.
10. A list of PRICES REALIZED will be published about two weeks after the sale. By marking your bid sheet or ordering before the sale date, the price is \$2.00. This catalogue and price list could prove to be a worthwhile bibliography of numismatic books at today's market.
11. Lots delivered in the State of Maryland are subject to 4% Sales Tax, and will be added to the invoice.

ALL MATERIAL IN THIS SALE WILL BE AVAILABLE FOR INSPECTION  
AT THE OFFICE OF THE CATALOGUER  
13311 NEW HAMPSHIRE AVENUE, SILVER SPRING, MARYLAND

On Monday, Tuesday and Wednesday, September 22nd, 23rd and 24th, between the hours of 10:00 A.M. and 5:00 P.M. Special arrangements may be made by telephoning the office, 301-384-9444.

There is a two-page introduction to the Second Edition, whereas Lot #67 above has a three-page introduction to the First Edition. There are 39 pages, 17pls., plus 3 double plates each reproducing in almost exact size obverse and reverse of notes". On estimate of \$125.00, the Kaplan copy sold on the floor for 145.00

3rd SESSION, SAT. SEPT. 27, 1975, at 2:00 P.M.

=====

CONTINUATION OF CONSIGNMENT D

The following books represent a far cry from the usual Numismatic and Philatelic Literature. Yet they were part of a dealer's life who dealt in coins and stamps. The fact that the cataloguer advertised non-numismatic books in this current sale and received scores of requests for the catalogue each with a \$2.00 check attests to his belief that there is much interest. The cataloguer believes that each lot listed deserves a bid in its own right.

### CONSIGNMENT G

The following consignment consisting of framed material were formerly owned by Charles J. Affleck and hung in his home in Winchester, Virginia. Mr. Affleck made a major contribution to Numismatics with his two-volume corpus on 'The Paper Money of Virginia, published in 1968-69. Successful bidders of these frames will have a crating charge added to their invoice, as well as cartage, prob ably by U.P.S.

458. The rarest Southern States bond. Forerunner of Criswell N.C. 62W which is the only North Carolina State Bond given the top rarity classification number of 11 and which is also given the top assigned value in his book on Confederate and Southern States Bonds (published in 1964) of \$2750.00. The wording of the two bonds is almost identical. This bond differs from 62W in that it is much larger and more ornate. The entire bond is overprinted in a pink scroll work with the overprint missing on the face to form "\$10000". This is the largest amount for any state bond (pre-civil war or post-civil war) that Criswell lists. This previously unknown bond is possibly the rarest of all Southern States Bonds. The center vignette is a train scene similar to 62W but much more elaborate with mountains, a river, a bridge and houses. There are also four other vignettes consisting of a dock scene with blacks loading cotton; a coastal scene with a palm or palmetto trees with cotton plants and three baskets of cotton, a forest scene with a deer crossing a railroad

and looking at a train coming over a bridge in the distance, and a navigation scene with a side wheeler river boat and a town in the back ground. The large size (19" x 29"), coloring, ornateness of the vignettes and the scroll work certainly make this an outstanding Southern bond in spite of its outstanding rarity. Act of Feb. 7, 1859 issued Oct. 1, 1860 and redeemable Oct. 1, 1890. Five of the coupons were clipped to October 1863. Printed by: "Latimer Bros. & Seymour, 21 Nassau St. N.Y." No other bond of any date can be found which was printed by this same firm. This could possibly be the only bond printed by them. It may be of some interest to note that they were operating only one block from Currier and Ives, and could possibly have been a similar type firm which decided to try their hand at producing bonds and gave it up after one try. This bond is signed by Robert H. Cowan as secretary for the Wilmington, Charlotte and Rutherford Rail Road Co. and by H. W. Guion as president. By 1862 Cowan was president of the company and is the one who signed the rare 62W. This extremely colorful and ornate bond goes one step further in having its coupons overprinted from one to 60 in pink and in the center of each is a vignette of a train. Quality, rarity, beauty, size -- it has them all. It would not surprise the cataloguer if this possibly unique bond brought \$5000. PHOTO.

459. CONFEDERATE STATES OF AMERICA. Act of February 20, 1863. Seven Percent Stock Certificate. Redemption date: July 1, 1868. Criswell #127. Vignette of mounted overseer in wheat field with workers. Lithographed by "J. T. Paterson & Co., Columbia, S.C." Written in by hand: \$5000 - (No.) 5784 - James H. Hathaway - Five Thousand Dollars - 1 (day of) January (186)4. Signed by Register of the Treasury Tyler and dated January 15, 1864. Mr. Affleck has a typewritten statement below the bond: "CONFEDERATE BOND ISSUED TO JAMES H. HATHAWAY. The home Ranger Mosby selected for his wife to stay was a fine Virginia mansion built in 1850 by James (Old Jim) H. Hathaway, a Southern patriot. A two story brick structure, it sat on a mound deep in the forest, far off the beaten path of Federal troops. As true a part of the Confederacy as its owner, it was constantly a haven for the Partisan legion. Many times

over Rebels stopped there for food and rest, and more than one visitor was sent from its hospitable roof to independent service. If Mosby had a home he could call headquarters, this was it. The Federals knew of the traitorous designs which went on beneath its roof, and frequently they searched it, but for all the tangible evidence they could lay their hands on, it was just another center of domestic felicity." FOR REBEL BIDDERS ONLY? --

NEWS FLASH! Today (July 22,) Robert E. Lee again became a citizen of the United States.

460. ROANOKE VALLEY RAILROAD COMPANY. \$1000 Bond with all coupons attached. Made out to John Setcher, 11th day of July 1860 and signed by E. A. Williams Secretary and Henry Wood, President. Eight per cent loan due the 1st day of January 1877. First coupon due on this bond No. 24, due January 1861 for \$40 signed by E.A. Williams, as are all coupons. Bond fills the opening of the frame which measures 29-1/2 x 18-1/2. Large '1000' in red over face of bond. --

461. THE CONFEDERATE NOTE MEMORIAL. Copyright 1896 by P. H. Ferguson. This is a large multi-colored lithograph showing a montage of \$10, \$20, \$50 and \$500 notes, Series of 1864. There are six scenes of battle around and in the center C.S.A. Flag over the grave of an unknown soldier with a sentimental verse below. Overall size of frame is 23" x 27". --

462. THE GREAT SEAL OF THE CONFEDERACY. The Great Seal of the Confederate States of America was adopted by the Confederate Congress February 22, 1862. The meaning of the symbols is clear - an equestrian statue of George Washington surrounded with a wreath composed of the principal agricultural products of the Confederacy - cotton, tobacco, sugar cane, corn, wheat and rice, The Confederate States of America, 22, February, 1862, with the following motto, "Deo Vindice" (God Favor Our Cause). In beautiful multi color. Overall size of frame, 25" x 25-1/4. --

463. STATE OF SOUTH CAROLINA Six Percent Coupon Bond. Act of March 11, 1869. Redemption date, July 1, 1888. Green and Black. \$1000 Bond. Ornately engraved. Center vignette of George Washington, Black man picking cotton at left, ship at right and allegorical figures at bottom center. Large "1000" in green. Engraved by American Bank Note Co. New York. Similar to Criswell #69B, but unlisted error. All of the 39 coupons show THIRTY DOLLARS printed white on black as shown in photo on page 260 of Criswell's catalogue, but the large ornate \$30 and the smaller \$30 in the four corners, read \$35 in this ERROR BOND. Bond is numbered 3623 and is unsigned and without a seal, which may be the reason it was not issued. A great rarity. Overall size of frame is 17-1/4" x 23-3/4".

464. A frame 9" x 13" x 1-1/4" deep has a Series 1963B Federal Reserve Note, Richmond E district, Bresnahan and Barr. Joseph W. Barr has autographed note over his printed signature. Above is a bronze medal 3 inches in diameter show Barr 3/4 bust to right and above JOSEPH W. BARR. Below the note is a printed explanation of Barr's appointment by President Johnson and his resignation when President Nixon appointed David M. Kennedy as Secretary of the Treasury. A real nice memento of a 27 day Secretary.
